fidelity PULL DRAWER

*Transfer filing at the lowest possible cost . . .
Up to 40 percent less expensive than competitive products*

You can pay more, but you can't buy better. Fidelity Pull Drawers have features normally found only in far more expensive file units. Built-in steel rim construction provides stacking, right to the ceiling. Test proven, each file will support 1100 pounds and remain functional. The Pull Drawer is shipped flat and can be stored flat until needed. In seconds, without tape, staples, or special tools you can set up a transfer file designed to give you years of service. Constructed of 200 pound test corrugated, white marble finish, the Pull Drawer is the business-like money saving answer to your transfer and storage file problem.

fidelity **DESK TOPPER** *with fluorescent under light*

MAKES THE TIDIEST DESK YOU EVER SAW

Here's the Perfect Answer to Desk Top Clutter — NEW Desk Topper increases office efficiency . . . practically organizes your work for you. Makes a place for everything . . . puts everything in its place — at your fingertips. Rests firmly on your desk. Needs no nails, bolts or screws. Won't shift. Can't mar or scratch.

IT'S THE HANDIEST DESK ACCESSORY YOU'VE EVER USED

Fidelity Desk Topper adds a full 58" of shelf space to your desk. Horizontal and vertical dividers can be spaced exactly to your needs — as close as 1" apart when required. Great for reference works . . . catalogs . . . special files . . . office forms, etc. Twelve inch wide shelf of rugged 16 gauge furniture steel holds everything (up to 200 lbs.). Eight inch height makes extra space underneath for all those things normally buried under mountains of paper work. Fidelity exclusive fluorescent light brightens every corner of your desk. Desk Topper comes with five vertical dividers (*horizontal dividers extra*) . . . in your color choice of mist green, beige or gray. Order a Desk Topper with fluorescent under light for your desk, today.

THE FIDELITY COMPTROLLER

Comptroller Is Especially Handy For Crowded Desks

Does the work of a horizontal file . . . correspondence separator AND catalog rack. Great for banishing desk top clutter . . . for saving space. Like the desk toppers, the Comptroller sits firmly on your desk without benefit of nuts, bolts, screws, nails — anything. Set it where you want it, it stays put. Horizontal and vertical shelves move in 1" increments. Enables you to tailor Comptroller to your requirements.

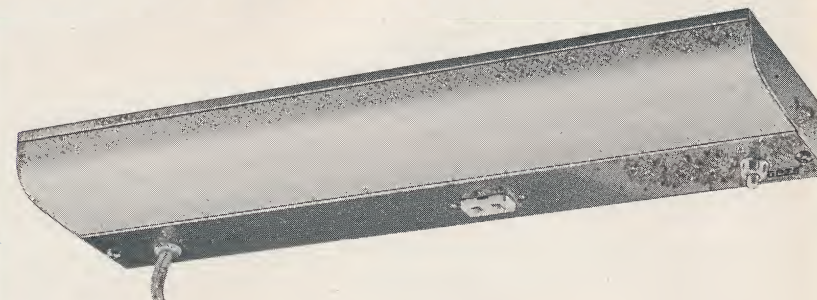

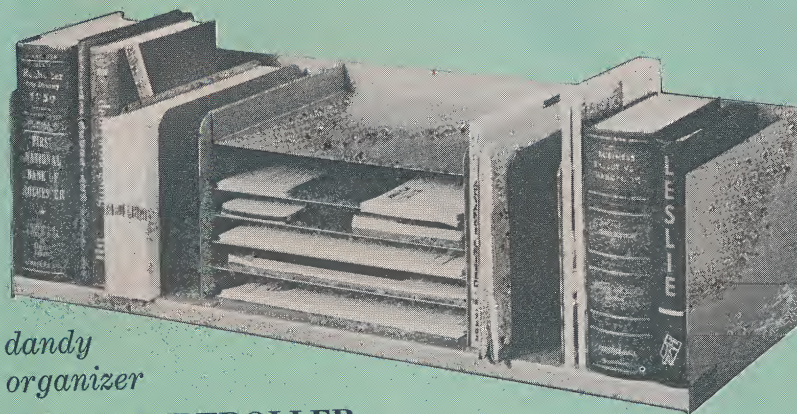

Comptroller is made of heavy-duty 16 gauge furniture steel. Sections are electrically welded so you know they'll stay. Finish is baked enamel — in your choice of mist green, beige or gray. Smart straight-line design blends with all wood and steel furniture. Comptroller comes complete with four steel dividers and horizontal unit.

fidelity SMALL STORAGE CABINETS

UNBREAKABLE
PLASTIC

*the practical answer
to small part storage*

Design your own parts warehouse exactly to your storage needs with space-saving, time-saving high impact plastic drawer cabinets with that built-in look. These compact, modular units can be used individually, stacked to any desired height, hung from a wall or integrated into a standard shelving set-up. Securely steel welded with permanent no-chip finish. All drawers feature movable vertical, horizontal and criss-cross dividers to provide an infinite variety of compartments. Dividers fit in grooves to prevent creepage of parts into adjacent compartments. Available in a clear drawer styrene model for "see-through" storage or a granite gray "X" drawer polystyrene model for extra heavy duty use. All prices F.O.B. Ohio.

fidelity **SIDE FILES**

SAVE SPACE . . . SAVE TIME . . . IMPROVE OFFICE EFFICIENCY

Now you can have the newest, most efficient filing system ever, in ruggedly functional, budget-priced corrugated board. All new Fidelity Side Files store records horizontally — takes half the space normally used by vertical systems. Side opening allows records to be found faster . . . filed faster, for increased filing speed and efficiency.

Side File is a self-contained unit with built-in steel frame and permanent center post for plenty of stack strength, and to prevent files from tipping. Magnetic latch door opens with just a touch, closes easier. Files are made of 200# test, white marble finish corrugated board. Come flat. Set up in seconds without tape, staples, or special tools. Try them in your office. All prices F.O.B. Minneapolis.

fidelity RECORD BINDERS

hold nine sheet sizes...

adjusta-post binding offers 5 position spacing—for 45 filing combinations in all

Fidelity's unique Record Binder is ideally suited for all loose-leaf punched forms—from 5½" x 8½" to 9½" x 12". Unlike some other post binders that expose records to dirt, dust and damage, the lightweight Fidelity Binder is a completely enclosed, dustproof unit that offers ample storage space for up to 1500 forms.

It's a handy storage binder. A permanent storage file designed for work with everyday punched forms that must be put away, but referred to often. Binds records quickly... without the use of tools. Fidelity adjusta-posts allow for variable post spacing of 2¾", 4¼", 7", 8¼" and 8½" center to center in either direction. Special lock tabs hold binders when stacked vertically.

Fidelity Record Binders are made of 200 pound test, white marble finish corrugated board and come in two sizes: BF-1 for sheet sizes of 5½" x 8½", 7" x 8½", 8½" x 7", 4¼", 7", 8¼" and 8½" center to center in either direction. Special lock tabs hold binders when stacked vertically. BF-2 for sheet sizes of 7½" x 10¾", 8½" x 11", 11" x 8½", 9½" x 12", and 12" x 9½". Record Binders are shipped flat, F.O.B. Minneapolis.
